

### About the College :

Hazrath Shaikh Minhajuddin Ansari Kallerawan Charitable Trust Gulbarga was founded in the year 1979 under the precious and dynamic leadership of Ali Janab Alhaj Qamar-ul-Islam B.E. (Mech.) with the objective of educational and social upliftment of people of Kalyan Karnataka in general and Muslim community in particular.

The College is affiliated with the Visvesvaraya Technological University, VTU Belagavi, recognized by the Govt. of Karnataka and approved by the AICTE, New Delhi. The academics are supported by different departments namely Computer Science, Mechanical, Civil and Electronics & Communication Engineering. The College is well equipped with the latest equipment in the laboratories of respective departments with infrastructure as prescribed by the university. The computer laboratory is equipped with systems of the latest configurations with an uninterrupted internet facility. Aesthetically designed spacious and well-ventilated classrooms to provide the right environment for learning. Highly experienced and qualified teaching with good rapport between the teachers and the students.

“Access to information is a vital key in realizing an individual’s potential”. The college is having a separate library & reference section with well-stacked standard texts, magazines, national & international journals, periodicals in a spacious hall,

and also the digital library facility is available with access to international e-journals. The library is headed by an experienced chief librarian.

The College also has a career guidance cell which helps in placement activities headed by a placement officer for providing career guidance & getting mid-term projects to the students.

### About the Department:

The department of Mechanical Engineering established in the year 2001. The department is spread independently across 1600m<sup>2</sup> area in the campus. We have fully fledged well qualified & experienced staff as per VTU/AICTE Norms. Our department has four PhD faculties & two are pursuing & others are M.Tech with good academic experience. Since past 5 years our department has achieved VTU University toppers in this region. Also one of our student amongst few in the state under VTU completed B.E (honors) by scoring CGPA 10.0 which is unique. Our department also has full fledged 12 laboratories handled by experienced faculty & staff.
